**Suh'dutsing Staffing Services**, established in 2004, is a certified Small Disadvantaged Business-and part of the family of companies owned by Cedar Band Corporation. We serve Federal, State, and local agencies as well as the private sector providing project, contingent, and direct hire services in the IT field.

Our recruitment managers come with a wealth of experience in the IT recruitment industry, most holding AIRS certifications as internet Recruiters (CIR), Advanced Internet Recruiters (ACIR), and/or Diversity recruiters (CDR).

We've staffed multimillion-dollar government contracts, giving government organizations and military entities expertise quickly, with flexible contacts and already established clearances.

We provide our clients with **Project Managers** who are:

- Certified PMPs (Project Management Professionals)
- Infrastructure Project Managers
- Multifaceted in their areas of industry expertise
- PMBOK (Project Management Body of Knowledge) experts
- SDLC (Software/Systems Life Cycle)/ Application Project Managers

**Application Development and Supports** includes:

- Application Database Administrators
- Application Development Project Managers
- Application Technical Architects
- Business Analysts
- Data Entry Operators
- Desktop Technicians (Level II and Level III)
- Developers at mid (3-5 years) and senior (6-10 years) experience levels.
- ERP Configuration Specialists and Technical Developers
- ERP Configuration Specialists
- System Integration Specialists
- UNIX Server Administrators

**Business Analytics and Business Intelligence** support includes:

- Business Objects Developers
- Data Mart (DM) and Data Warehouse (DW) Designers
- Documentum Specialists
- ETL (extract, transform, and load) Developers
