

SUH'DUTSING TELECOM™ AND NEXAIR COMBINED CAPABILITIES STATEMENT

Overview

The Suh'dutsing Telecom™ and nexAir teams have combined their capabilities and expertise in an 8(a) Teaming Partnership.

SUH'DUTSING TELECOM™ (STL) is a Tribal 8(a) firm. Our Products and Services include, but are not limited to, Staffing Solutions, Telecommunications, Data Entry/Assurance & Facilities Maintenance, and medical devices. STL's vision is to become an industry leader

by providing world-class professional services and products. STL is a dealer for the following medical devices by Heine USA, Salmon Medical, Precision Medical, Amico, Maxtec, Kentec/Ameritus, Accuvein, AES, Inc., and SunMed. We are also a dealer for Chart MVE Cryopreservation Equipment.

nexAir is proud to be a Teaming Partner with STL. nexAir is a supplier of high-quality medical gases and equipment. We draw on the expertise of hundreds of experienced salespeople, welding analysts, cryogenic technicians, and medical-equipment specialists to provide innovation solutions to our customers.
