About Our Companies

The Suh'dutsing Telecom™ team has combined their capabilities and expertise in an 8(a) Teaming Partnership with Servicon Systems, Inc.

SUH'DUTSING TELECOM™ (STL) is a Tribally-owned 8(a) firm. Our Products and Services include, but are not limited to, Staffing Solutions, Telecommunications, Data Entry/Assurance & Facilities Maintenance, and STL's vision is to become an industry leader by providing world-class professional services and products.

SERVICON SYSTEMS, INC. (Servicon) is an innovative and trusted provider of facility maintenance solutions and was the first to pioneer "green cleaning" that set new standards for the industry. Founded in 1973, the company services more than 100+ million square feet for a multitude of private and public industries, including aerospace, high-tech, commercial real estate, health care, Federal facilities and refineries. With top security clearances and personnel skilled in complex environments, Servicon has built longstanding relationships with major national and international firms and earned a reputation for the most effective industry best practices.

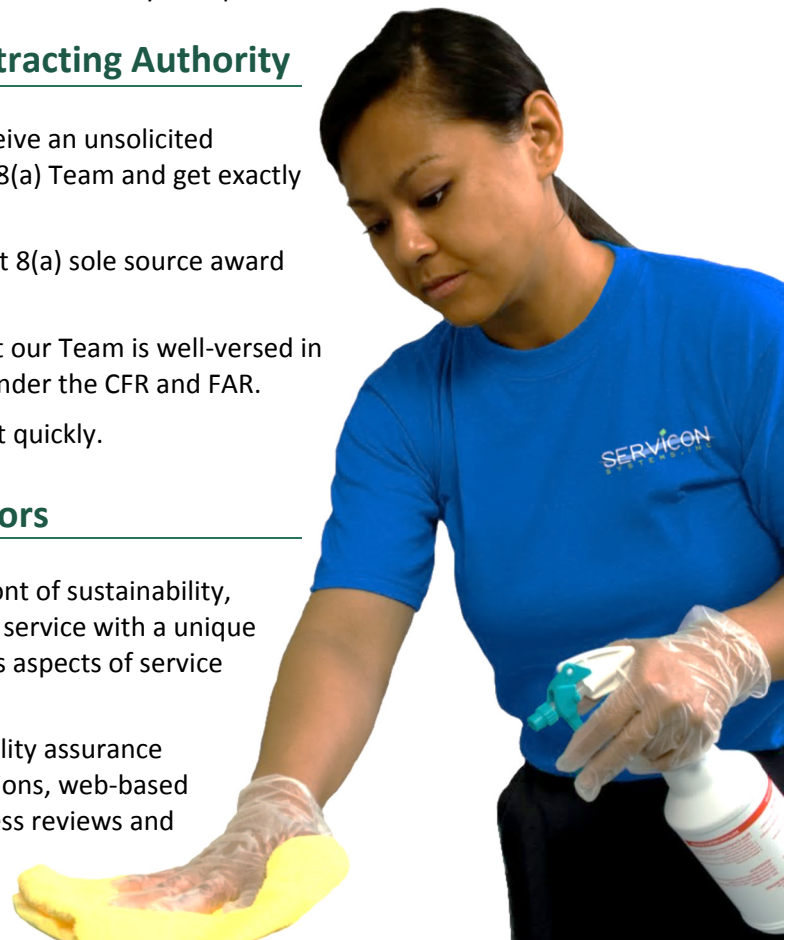

Benefits for the Contracting Authority

- You have the right to receive an unsolicited proposal from our Tribal 8(a) Team and get exactly what you want.
- You can negotiate a direct 8(a) sole source award at a fair market price.
- You will be confident that our Team is well-versed in contracting regulations under the CFR and FAR.
- You can start the contract quickly.

Our Key Differentiators

- We remain on the forefront of sustainability, innovation and customer service with a unique ability to measure various aspects of service performance to contract.
- We perform rigorous quality assurance that includes self-inspections, web-based dashboards, client business reviews and customized KPI's.

Special Notes

FAR 9.6 allows contracting officers to consider the past performance of the tribe's teaming partners. This law is intended to reduce the government risk of non-performance.

By selecting our Teaming Partnership, it will create skilled jobs on the reservation, help you with your 8(a) goals and compliance with the Buy Indian Act.
