

SUH'DUTSING STAFFING SERVICES

Suh'dutsing Staffing Services, established in 2008, is a Tribally Owned 8(a) company and Minority Business Enterprise headquartered in Cedar City, Utah. As part of a family of companies held by Cedar Band Corporation – including Suh'dutsing Telecom and Suh'dutsing Technologies – we deliver an array of telecommunications and staffing solutions to customers across the nation and in international markets. We service Federal, State, and Local agencies as well as the private sector providing information technology, information systems, and specialized engineering project services in the IT, IS and engineering fields.

We provide high-end technical services with highly qualified professionals and are able to jointly partner with large IT integrators to secure and execute federal contacts.

We've staffed multimillion-dollar government contracts, giving government organizations and military entities expertise quickly, with flexible contacts and already established clearances. Our capabilities include:

- 3D Modeling Development Support
- Administrative Support Services
- Design and Construction Services
- Emergency Lighting System PM, Remedial Repair and Base-wide Restoration
- Help Desk Support
- Information Technology
- Project Management
- Professional Support Services
- Substation Engineering, Testing and Maintenance Services
- Systems Analysis, Integration & Security

We employ a solid base of capable, experienced, Engineers, and certified Development Teams. This enable us to offer a wide variety of top-level products to fit your needs and services.
